

# MIRAGE 270

## *Leisure 27sl*

*Two East Coast designed  
27ft. twin keel yachts  
offering safe  
family cruising*

*British built in our own workshops*

# MIRAGE

Our aim is to design and build yachts that have interiors planned for genuine cruising. They are designed for cooking at sea. We still insist on extra strength and stability, which is built into the structure. Added to this are ply bulkheads to our usual high standard. When more is required we make no concession in the way they are built hulls and strong construction. We do not save money!

**MIRAGE 270**
